registered charity no: 1070760

We are honored to invite you to attend the **5th International Conference on Music Therapy “The Power of Music and Words”**

The conference held by Transilvania University of Braşov between November 15th – 17 th 2018, brings together Romanian and foreign speakers from international and national scientific research environment, universities and professional organizations. It is an opportunity to present new ideas and results in research, discussions and exchanges of experience in Music Therapy.

The main topics include the effect of music, the development of music therapy in Romania and abroad, methods of practicing music therapy and new trends in research. Therefore, the program is divided in two parts one of presentations that could be followed by a paper publication, and the second one of workshops. The presentations are directed on three sections:

- *Passive and Active Music Therapy*
- *Professional Diseases of Musicians*
- *New Scientific Trends of Research in Music Therapy*

Registration will be done through e-mail (with the registration form) and at the front desk, each morning starting with 9:00 am.

The participation fee is 100 RON (22 Euros), payable in the bank account below or at the front desk.
